READ TRANSFORMATIVE STORIES OF GROWTH AND ACHIEVEMENT

Hello, here is a feedback of my internship at L'arnsbourg

Overall, it was a great experience and I learned a lot! During the first few weeks it was very difficult to adapt and the area is so cut off from the city so I faced some problems with transportation. But with time, I managed to survive. I could

Student

I'm Aarushi Agrawal, currently in 3rd year studying Bachelor of Science in Hospitality and management at Auro University, Surat. With the aid of Destiny Calling, I found a placement at Hotel Du Parc, Restaurants & Spa for six months. Initially I faced certain problems due to language barriers as my hotel only communicated in French. But with

Looking to work in a creative space that offers growth and a learning curve?

[Join Our Team](#)

Any Questions you could possibly have, we have tried to answer it all here.

1. Is knowledge of French mandatory for internships or work permits in France or French-speaking countries like Mauritius? ↑

While not always a strict requirement, knowing French can be beneficial. We offer a complimentary in-house French language course to support interns, enhancing their language skills and competitiveness. For work permits in France, basic French knowledge is necessary, and some properties may require certification.
